### KEEPING YOU HEALTHY WHILE KEEPING YOUR SMILE HEALTHY

We will email you a screening questionnaire to be filled out 24-48 hours before your appointment

Please text us at [226-962-1793](tel:226-962-1793) when you arrive with your full name in the text. We will call you to screen you one more time before entering the office.

Please, bring your own mask to your visit.

Please, stay in your car until we text you to come in the front door. Please be flexible to allow us enough time for enhanced disinfection between patients.

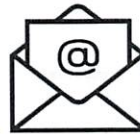

Please brush your teeth before you come for your appointment. Our brushing station at the office is temporarily closed.

Only the patient with the appointment will be permitted into the office.

When you arrive, we may ask you to gargle with 1.5% hydrogen peroxide rinse. We will provide hand sanitizer when entering and leaving the office.

An update on treatment will be emailed to the parent/guardian by the end of the day when the patient is under 18 years of age

Please reschedule if anyone in your household has been sick in the last 2 weeks.

You will be emailed your next appointment type, date and time by the end of the day.
